

TOGETHER FOR A SUCCESSFUL INDUSTRIAL FUTURE

www.gifec.org

GET TO KNOW THE GROUP

- **GIFEC, interprofessional Group** of manufacturers dedicated to the study of marketing.
- GIFEC is composed of 47 members from **SMEs and large international groups**, all of which have manufacturing units in Europe.
- Created in 1972, the group is **50 years** old and operates under the status of a non-profit **association** in accordance with the 1901 law.
- Our members are all **manufacturers** of industrial products and **partners of a network of distributors.**

DISCOVER OUR MEMBERS COMMUNITY

FOCUS ON THE 4 PRODUCT FAMILIES

1. MACHINING
2. POWER TRANSMISSION
3. ASSEMBLY AND TOOLING
4. EQUIPEMENT
AND PROTECTION OF THE PERSON

OUR MISSIONS : COMMITMENT AND ACTION

Being a recognized player in the industrial supplies market

Reflecting on best business practices and their evolution

Uniting manufacturers and distributors in the European industrial supply market

Producing indicators and studies to understand and anticipate market trends

OUR PURPOSE

Study the evolution of the industrial market and marketing methods
in the face of major current challenges,
including artificial intelligence:

SALES MARKETING :
New sales and management methods

INDUSTRIE 4.0 :
The factory of the future and the
impact of artificial intelligence

LEGAL FRAMEWORK:
Commercial negotiations

NEW DISTRIBUTION METHODS:
E-commerce & marketplace

**DECARBONISATION
AND CSR FOCUS**

MONTHLY ECONOMIC NOTE XERFI SPECIFIC

MANUFACTURERS INDICATOR

Evolution of turnover index by family products and sector (total, direct and distribution).

DISTRIBUTORS INDICATOR

major industrial distribution groups have their own indicator

They help to provide a clear and precise vision of market trends :

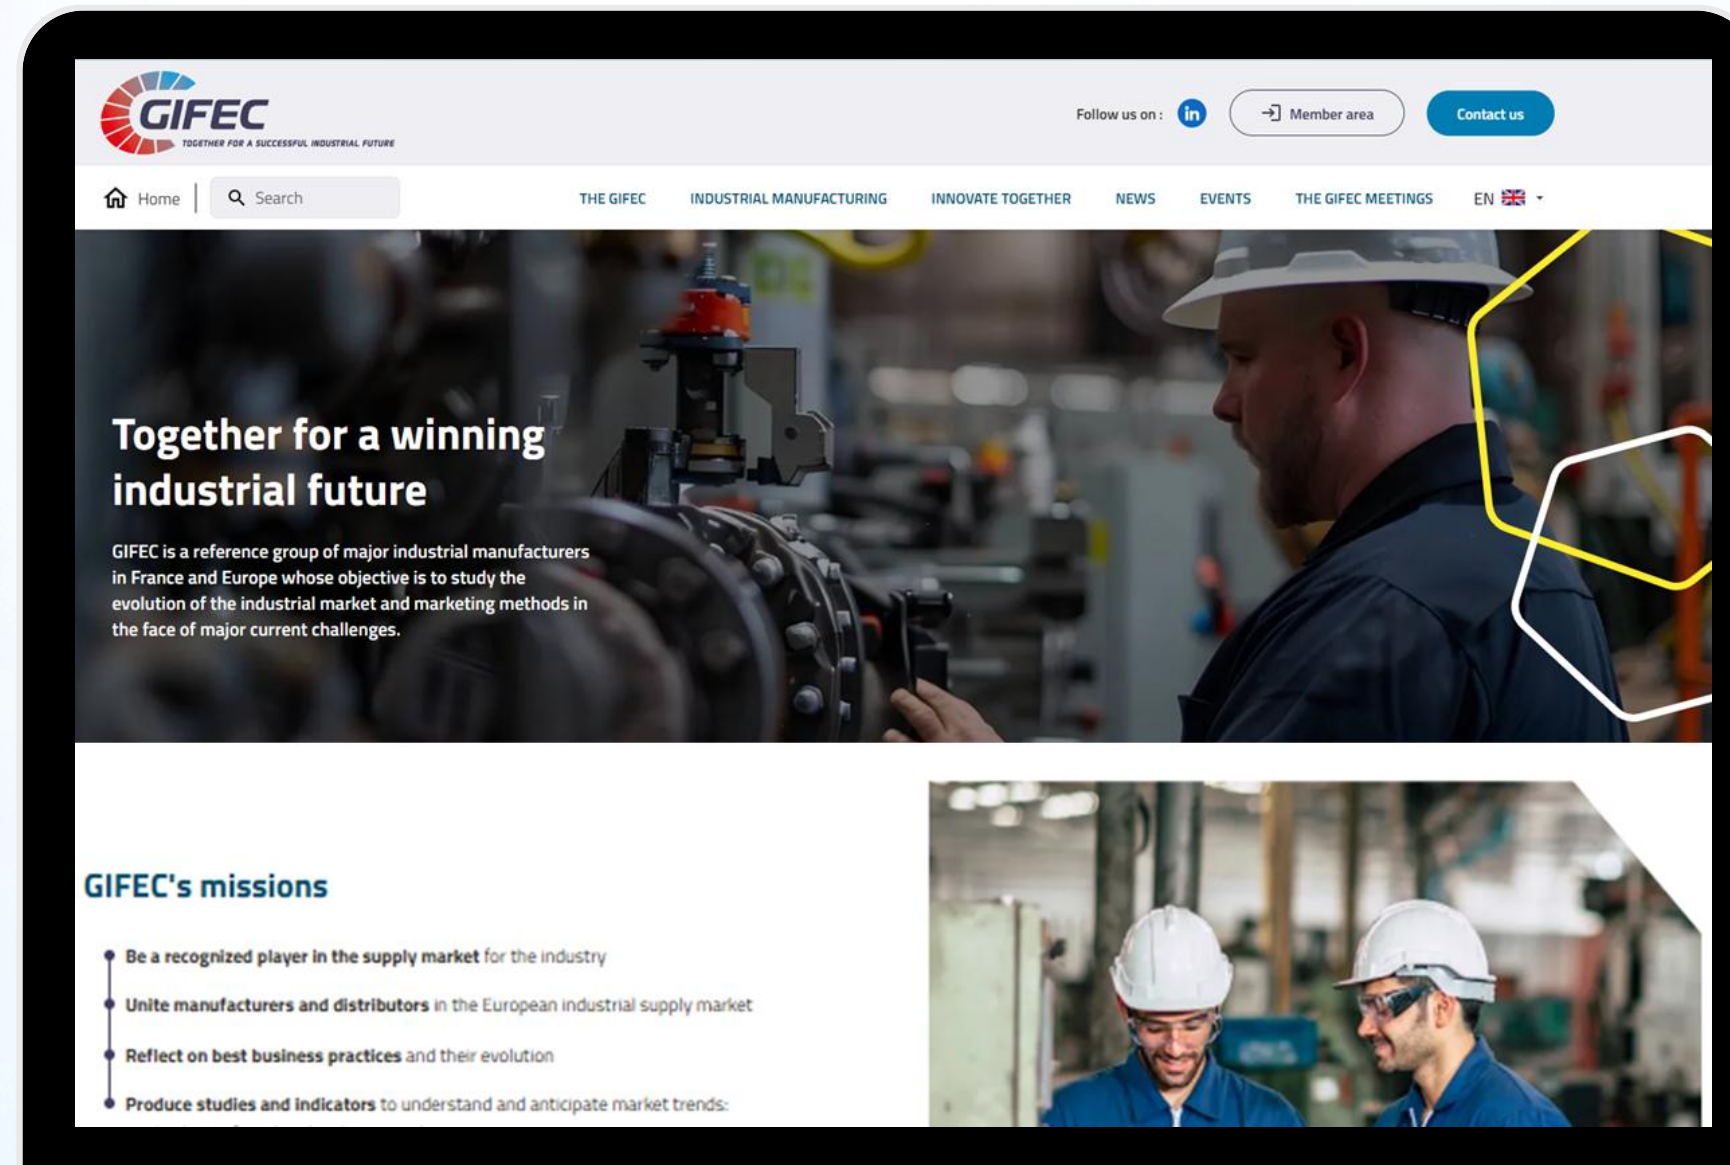

HOW WE OPERATE

- **Share information on market trends** : improve our capacity to innovate, our competitiveness in a sector, etc.
- **Expand our skills** : participate in workshops or training courses, attend expert conferences, etc.
- **Access topics relevant to all businesses** : learn about cross-functional topics, share best practices, etc.
- **develop growth strategies** with distribution: collaborating to better meet market expectations

OUR WEB SITE

Our website is evolving:
A new dynamic website in French and English that highlight our reason for being, purpose and latest news.
